

ACCOUNTABILITY AND TRACKING FRAMEWORK: EXAMPLE CHURCH

Goal 1: Increase Congregation Size

Accountability Measures

Responsibility Assignment: Community outreach team for survey, Marketing specialist for digital strategy, Event coordinator for community events.

Regular Check-ins: Bi-weekly progress meetings with each responsible team.

Tracking Mechanisms

Progress Tracking Tools: Use of Monday.com (project management software) to monitor survey completion and event preparations.

Key Performance Indicators: Number of survey responses, Social media engagement metrics, Attendance at community events.

Goal 2: Develop Youth Mentorship Program

Accountability Measures

Responsibility Assignment: Program committee for curriculum development, Volunteer mentors for program execution.

Regular Check-ins: Monthly update meetings with the mentorship program committee.

Tracking Mechanisms

Progress Tracking Tools: Google Spreadsheet to track curriculum development stages and mentor recruitment.

Key Performance Indicators: Completion of curriculum modules, Number of mentors recruited, Participant enrollment in the program.
